## Liquor Regulations

The Operator of the Hillview holds a license granted by the Massachusetts State Liquor Commission and is held responsible for complying with its regulations. Therefore, neither patron nor any patron's guests or agents shall be allowed to bring alcoholic beverages onto the premises. The Operator also reserves the right, under the new Massachusetts Liquor Laws, to stop serving alcoholic beverages to all or any patron at any time when he deems it necessary in accordance with said liquor laws in order to comply with his Massachusetts Liquor License.

## Food Regulations

All food for hospitality and function purposes must be purchased from The Hillview.

## Hold Harmless

The Operator of the Hillview is to be held harmless in case it becomes necessary for said Operator to cancel any function, social or otherwise, due to an act of God, building restoration or any serious maintenance problem that in his judgment will impair his efforts to put on the said event.
